OFFICE OF THE SUPERINTENDENT,

Dated Bangalore, 29th October 1919.

FROM

D. B. RAMACHANDRA MUDALIAR, ESQ.,
SUPERINTENDENT, GOVERNMENT PRINTING,
BANGALORE.

To

C. S. Balasundaram Iyer, Esq., B.A.,
Chief Secretary to the Government of Mysore,
Bangalore.

SIR,

In forwarding herewith complete file of correspondence of my office and that of the District Magistrate, Bangalore -- District, in the matter of deputing the members of the Press Staff to serve as Jurors, I have the honor to state that the Press is a Technical Department and the duties of the clerks are such that they cannot be spared even for an hour without dislocating the course of work which in almost every case has got to be executed expeditiously. For this reason, I beg that Government may be kindly pleased to exempt the Press Officials to serve as Jurors in the Bangalore District Court.

I have the honor to be,
Sir,
Your most obedient servant,

D B Ramachandra Mudaliar
Superintendent,

Office of the District Magistrate,

Cir. 16. Bangalore District,

Dated, Bangalore, 13th October 1919.

From

The District Magistrate,

Bangalore District, Bangalore.

To

The Superintendent,

Government Press and Stationery in Mysore,

Bangalore.

Sir,

I have the honor to state that at a joint sitting of the District Judge and my self to revise the list of Jurors and Assessers, it was found that the list requires considerable strengthening both in numbers and intellectual qualifications of the panel and we considered it desirable in the interest of public justice to appeal to your co-operation for improving the list a fair percentage of the superior clerical staff of your office will go a great way in providing that necessary medium of knowledge in the penal to intelligently appreciate the evidence placed before them. It is hoped that an inclusion in the the list of 25 percent of the strength of your office will not place an undue strain on the working conditions of the office as they will be called upon only occassionally and in small numbers and these together with intelligent members of the non-official public will just bring up the number required. If need be arrangements can be made to limit the number that may be called upon from your office for any one session. This arrangement would I believe be more satisfactory than if I should arbitrarily include them in the list, leaving the propriety of the inclusion to be considered at a formal sitting.

If the above proposal is agreeable to you, I beg you will be so good as to send a list of persons who can be conveniently spared for performing this piece of public duty. It is requested that a reply to

this

this communication may kindly be sent before the 25th October 1919 as the adjourned combined sitting will have to be fixed for some date at the commencement of November.

I have the honor to be,

Sir,

Your most obedient servant,

Copy of letter No.941 dated 18th instant, from the Superintendent, Government Printing, Bangalore, to the District Magistrate, Bangalore District.

With reference to your Circular No.16 dated 13th October 1919 requesting that the superior clerical staff of the Press may be included in the list of Jurors, I have the honor to state that the Press is a technical department where most of the employees work from morning till evening with an interval of only an hour at noon for food, that their duties are such that they cannot be spared from their duties even for an hour without dislocating the course of work which in almost every case has got to be executed expeditiously to meet the requirements of Government. For this reason, the Press has not been requisitioned for some years past to supply the Jurors, and I would therefore request you to kindly exempt the Press from deputing the members of its staff to serve as Jurors.
